UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

IN RE: HIGH-TECH EMPLOYEE
ANTITRUST LITIGATION

Case No.: 11-CV-02509-LHK

**ORDER GRANTING
ADMINISTRATIVE MOTION TO
FILE UNDER SEAL**

THIS DOCUMENT RELATES TO:
ALL ACTIONS

Plaintiffs have filed an Administrative Motion to File Under Seal (“Motion”) two documents. ECF No. 1037. Plaintiffs seek to seal non-public lists of job titles from Defendants and an attachment to the settlement agreement that describes the “blow provision”—i.e., a term pursuant to which Defendants may terminate the settlement agreement if a specified percentage of Class members were to opt out. The Court GRANTS the Motion because compelling reasons support Plaintiffs’ request. *See* ECF No. 978 (granting request to seal the same documents).

IT IS SO ORDERED.
